

L & L Saver System Customer Acknowledgement

L & L Insulations is a reseller of the L & L Saver System which is designed, manufactured and tested by Thermal Design, Inc. and sold under the trade name "L & L Saver System". L & L Insulations has not conducted any tests on the system for either thermal performance or fall protection and does not make any certifications or implied or expressed warranties. All certifications and warranties are provided by Thermal Design, Inc. and therefore are between Thermal Design and the customers. As the reseller L & L Insulations will provide the system under the following acknowledgements:

- 1) I understand the system must be installed in accordance with the manufacturer's installation instructions in order to be covered by the manufacturer's certifications and warranties.
- 2) I understand the Certification of Alternative Fall Protection must be executed and all terms complied with and returned to Thermal Design, Inc in order for Fall Protection Certification to begin.
- 3) I understand all certifications and warranties implied or expressed are between _____ (Company Name) and Thermal Design, Inc. _____ (Company Name) agrees to indemnify, defend and hold L & L Insulations harmless from any costs, claims, suits, losses, damages and expenses (including attorney fees) arising out of any alleged action by _____ (Company Name), whether of omission or commission, in connection with the installation of the L & L Saver System manufactured by Thermal Design, Inc. and provided by L & L Insulations.
